[redacted] met yesterday with [redacted] and [redacted]. [redacted] is anxious to extend the coordinated TSD-
support in audio to include the preparation of the plans
re routinely submitted to PPB via DD/S&T and DDP.
Initially a single Agency audio program would be con-
sistent with the ORD and TSD responsibilities identified.
It would be possible to provide PPB with the consolidated
that reconstruction of the Directorate inputs under
planning "element" would be simplified. [redacted]
TSD planner involved. He will contact [redacted] on
TSD planning arrangements.

2. [redacted] feels it would be useful if other areas in
the ORD was supporting the clandestine services could be
more closely coordinated. This would be of special assistance to
in presenting the over-all R&D support program to DDP
elements. This step should wait, however, until a good work-
arrangement is established in the audio area.
